

Distinguished Lecturer Levent Sevgi Tours IBERIA

IEEE Antennas and Propagation Society (APS) Fellow member, Distinguished Lecturer (DL), **Dr. Levent Sevgi** (2020 - 2023) was in Iberia tour, visiting 2 Sections – **IEEE PORTUGAL** and **IEEE SPAIN**, and gave 9 lectures in 9 universities within the IEEE APS DL Program from Oct 14 to Oct 31, 2023. This was a record among all distinguished lecture tours not only in the AP Society but also whole IEEE.

The Portugal part of the program included **Lisbon, Leiria, Aveiro** and **Porto**. Prof. Sevgi visited Technical University of Lisbon on Monday, Oct 16, 2023, Polytechnic University of Leiria on Wednesday, Oct 18, 2023, University of Aveiro on Thursday, Oct 19, 2023, and University of Porto on Friday, Oct 20, 2023.

The Spain part of the program included **Madrid, Valencia, Cartagena, Malaga**, and **Sevilla**. Prof. Sevgi visited University Carlos III of Madrid on Monday, Oct 23, 2023, Technical University of Valencia on Wednesday, Oct 25, 2023, Polytechnic University of Cartagena on Thursday, Oct 26, 2023, University of Malaga on Friday, Oct 27, 2023, and University of Sevilla on Monday, Oct 30, 2023.

Dr. Sevgi gave the same lecture entitled “**From Engineering Electromagnetics to Electromagnetic Engineering**” in Lisbon, Aveiro, Porto, Madrid, Valencia, and Seville. In Leiria, he gave two lectures, “**Radiowave Propagation Modeling and Simulation**” and “**Antennas, Arrays, and Antenna Calibration**” in Leiria. His lecture in Cartagena was “**Antennas, Arrays, and Antenna Calibration**” and in Malaga was “**Electromagnetic Diffraction Modeling and Simulation**”. There were wonderful discussions and Q&A’s during the lectures as well as during lunches and dinners with students and colleagues in both Portugal and Spain.

In the Portugal part of the tour, the hosts were Dr. **Antonio Topa** from Technical University of Lisbon, Dr. **Rafael Caldeirinha** from Polytechnic University of Leiria, Dr. **Pedro Pinho** from University of Aveiro, and Dr. **Luis Pessoa** from University of Porto. In the Spain part of the tour, the hosts were Dr. **Eva Rajo Iglesias** from University Carlos III of Madrid, Dr. **Marta Cabedo Fabres** and Dr. **Miguel Fernando Bataller** from Technical University of Valencia, Dr. **Jose Luis Gomez Tornado** from Polytechnic University of Cartagena, Dr. **Enrique Marquez Segura** from University of Malaga, and Dr. **Francisco Medina Mena** and Dr. **Maria Jose Madero Ayora** from University of Sevilla.

Here are two short videos from Dr. Sevgi’s tour:
