

Distinguished Lecturer Levent Sevgi Tours Turkey Student Branches

IEEE Antennas and Propagation Society distinguished lecturer, **Dr. Levent Sevgi** (2020 - 2023) was in Turkey tour, visiting 6 cities – İzmir, Muğla, Antalya, Konya, Kayseri and Eskişehir – and gave 9 lectures in 7 student branches (SB) within the IEEE APS DL Program from April 3 to April 22, 2022. **Dr. Sema Dumanlı** from Boğaziçi University, the new chair of the Joint AP/MTT/EMC/ED Chapter in Turkey Section also joined this tour partially. She introduced and discussed the IEEE during her lectures with the title “*IEEE for Science, Technology and Humanitarian Development*”. Below are collection of photos and here is the link of a 3min video of this program: <https://youtu.be/0uVSul-QVTI>.

IEEE Advancing Technology for Humanity

IEEE DISTINGUISHED LECTURE DAYS

IEEE For SCIENCE, TECHNOLOGY & HUMANITARIAN DEVELOPMENT:
Dr. Sema Dumanlı OKTAR

From ENGINEERING ELECTROMAGNETICS to ELECTROMAGNETIC ENGINEERING:
Teaching/Training Next Generations
Prof. Dr. Levent SEVGI

SCIENCE, TECHNOLOGY, UNIVERSITY and RESEARCH:
Academic Evaluations & Rankings
Prof. Dr. Levent SEVGI

5/4/2022 İzmir	12/4/2022 Antalya
9/4/2022 İzmir	15/4/2022 Konya
8/4/2022 Muğla	21/4/2022 Eskişehir
	18/4/2022 Kayseri
